ADDRESS

Dear Alice

We are spending  
our holiday here at  
Grand Beach Winnipeg Lake  
The Indians are like Indians  
so brown. We all like the  
water, although fish is  
very warm. We are camped  
in the woods all around  
the big trees. It fine we  
see plenty of Indians  
selling fish etc. Will  
send you photo later

Tom
